Brand new Silvers Neomax Suspension system ***this is only for two rear and one front, I had to replace a single coilover on the front right of my car, these are what's left*** new in box, includes the installation tools. I'm selling the set for 750, or I'll piece them out for 270 each. I believe these will fit 2015-2020 WRX/sti. Sku: NS218 call or text:636-293-6255
