With over 29 years of experience in the insurance industry, I have the knowledge to help make you smarter about your options so that you can make informed decisions about protecting what's most important to you. I started my career working part-time in insurance claims until the Loma Prieta Earthquake hit in October of 1989, when I was needed full-time due to the increase in inbound requests. I have lived and breathed firsthand experiences of what can happen when you are adequately insured and when you are not. Both my professional and personal experience has helped me to offset risks with real solutions. Stop by for a cup of coffee and I'd be happy to review your current coverage--whether that's auto, home, life, business, renters insurance and more!Give me a call at (928) 733-6098 and I'll be happy to answer any
